WORK EXPERIENCE

UX Design Intern

Lumen Technologies

05/2022 - 08/2022

Broomfield, CO (Remote)

- Interpreted user data in Contentsquare and Adobe Analytics, recommending changes to product pages in weekly optimization meetings
- Evaluated Lumen's B2B Marketplace experiences through UserTesting and created action plans to implement test results
- Created team's first data-driven Competitor Analysis Master Deck for future projects
- Collaborated with team to provide solutions for product pages and presented wireframes to VP of Marketing

iOS UX/UI Designer & Team Lead

App Team Carolina

08/2021 - present

Chapel Hill, NC

- Instructed a 12-week Design Academy for new members, taught the UX design process and guided them through their individual case studies
- Collaborated with designers, developers, and clients to create 2 iOS apps utilizing Apple's Human Interface Guidelines and an App Team Carolina design system
- Conducted UX research, created high fidelity prototypes, and conducted usability tests for a budgeting app and an iPad game for students with Cortical Visual Impairment
